

This map illustrates the geographical and administrative boundaries of the Municipality of Yumbo, located in the southwestern region of Colombia. The urban area is depicted with a dense grid of streets, color-coded to show different land uses or zones. The map also shows the extensive Yumbo River system and other water bodies. Surrounding municipalities are labeled, including Palmira to the north, Candelaria to the east, and Puerto Tejada to the south. A scale bar at the bottom left indicates distances up to 1,000 meters, and a north arrow is positioned in the top left corner.
